

Faculty of Mathematics and Informatics

The Opening ceremony of the Academic Year at the Faculty of Mathematics and Informatics will take place on October 3rd, 2022, at 12:00, in the AulaB hall.

All the information regarding the organization of teaching activities in the academic year 2022-2023 (timetable, division into groups, teachers guiding groups, etc.) will be displayed on the faculty's web page <http://fmi.univ-ovidius.ro/> and will be presented in detail during the Opening Ceremony of the University Year.
